

Owen Sound, ON-Heritage Place Shopping Centre

Heritage Place Shopping Centre announced today that redevelopment of the property has begun which will bring exciting new retailers, and an office tenant which will bring new employment opportunities to the community.

Construction began in early April on **The Children's Place** clothing store, which is scheduled to open this summer.

An expansion of **SportChek** is also underway. The addition of 6000 square feet to the store will allow for the inclusion of the Nevada Bob's Golf line of merchandise. The existing store will remain open during construction and the expansion space is expected to be open by midsummer.

The Coles Bookstore (formally known as Smithbooks) is being completely redeveloped. Coles has relocated to the Zellers wing of the shopping centre, until their new store is completed. The new store which is expected to be completed in midsummer will be located beside the Stokes store.

Construction will begin mid April on an office that will be joining the Heritage Place mix of tenants. It will occupy approximately 11000 square feet next to Food Basics and is expected to employ 50-75 people.

Mike Roberts, General Manager of Heritage Place commented "The efforts of the Primaris leasing team are paying off. These new tenants are a great addition to our merchandise offering and we are hearing positive feedback from other new retailers who are interested in the shopping centre."

Heritage Place is an enclosed regional shopping centre that is owned and managed by Primaris Real Estate Investment Trust.
